CINE VIBE - ROUND 1

Where cinema meets creativity

Topic 1: Guess the Movie Name by a Misleading Plotline

- 1)* The hero gives a villain a life and even takes him in like one of his own, constantly guiding him on what to do and how to live. But the villain refuses to listen, saying he won't follow those rules — and instead makes advances toward the hero's lover. Because of this, the Indian police and the military get involved.

Clue:

The sequel to this film delivered a strong moral message about reducing the use of something we heavily rely on today.What is the movie?

Answer: _____

- 2) An auto driver's younger brother kills the hero's lover, and in revenge, the hero uses a sketch to track down and kill that younger brother.

Clue:

On a special day for the entire country, it almost feels like the day isn't complete without this movie appearing on TV at least once.What is the movie?

Answer: _____

- 3) In which movie does a hero—determined to become a police officer after certain people caused his younger brother's death—travel to another country, join a criminal gang there, return to India, and take his revenge?

Clue:

This film features a “machine” that lets people escape their frustration by living the life they desire — but only inside the dream. This machine doesn't exist in real life.What is the movie?

Answer: _____

- 4)* “The hero's father has an ambition — that his son should take over the family business. But the hero dislikes all of this, focusing only on getting close to one particular person. In the end, the very person he admires brutally kills his father, yet the hero grows even closer to him.

Clue:

This film belongs to one of the latest introduced cinematic universes.What is the movie?”

Answer: _____

5) "In which movie does a hero—deeply hurt after his father is brutally killed in a betrayal—change his identity, deceive everyone around him, and finally take revenge with the help of a childhood friend?"

Clue: This film is now considered to be part of a cinematic universe, as revealed by the most recent installment. What is the movie?

Answer: _____
